June 2009

duratiNet project
“Durable Transport Infrastructures in Atlantic Area - Network”

2nd Transnational Workshop
&
2nd Partners Meeting

Queen’s University of Belfast, Belfast, 22-24 June 2009

The next **duratiNET Project meeting** is organised by the Queen’s University of Belfast on 22th and 23th of June 2009

- **2nd Transnational Workshop** will be on 22th June, from 14h:15min to 17h:30min. This workshop will contain short presentations from the different workgroups detailing the project activities followed by discussions with the technical community and end users.

- **2nd Partners Meeting** will held on 22th and 23rd June (9.00-18.00hrs).

This meeting is restricted to the project partners/workgroups

- Technical visit on 24th June

Who should participate?

All those who are involved in maintenance of transport infrastructures, other related technical and public bodies, academic and industrial research are invited to participate in the 2nd Transnational Workshop. We also encourage individuals with keen interested on the project theme to take part in the workshop.

There is no registration fee for the workshop.
